CAUTION

KEEP OUT OF REACH OF CHILDREN Read the entire label carefully before using this product.

Distributed & Guaranteed By: AgChimp LLC 127 Riverside Dr SW Cartersville GA 30120 770-334-9442

PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS AND DOMESTIC ANIMALS CAUTION: Causes moderate eye irritation. Avoid contact with eyes, skin or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using toilet

ENVIRONMENTAL HAZARDS This product is extremely toxic to fish and aquatic invertebrates. Do not apply when weather conditions favor drift and runoff from treated areas. Drift and runoff from treated areas may be hazardous to aquatic organisms in neighboring areas.

To protect the environment, do not allow pesticide to enter or run off into storm drains, drainage ditch-es, gutters or surface waters. Applying this product in calm weather when rain is not predicted for the next 24 hours will help to ensure that wind or rain does not blow or wash pesticide off the treat- ment area. Sweeping any product that lands on a driveway, sidewalk, or street, back onto the treated area of the lawn or garden will help to prevent run off to water bodies or drainage systems.

LAWN APPLICATION table with columns for pest name and application rate.

This product is intended to prevent and reduce insect entry to homes and businesses. When using this product as directed, apply a foot wide band to the lawn area around and adjacent to the structure. Observe and apply the following application rates.

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Apply this product directly to the lawn or garden area. Water treated area as directed on this label, do not water to the point of run-off. Do not make applications during the rain. Application is prohibited directly into sewers or drains, or to any area like a gutter where drainage to sewers, storm drains, water bodies, or aquatic habitat can occur. Do not allow the product to enter any drain during or after application. Do not allow children or pets to enter the area until dry. Do not apply more than 500 lbs. per acre (1.33 lbs per 1,000 square feet), of this product per year. Not for use on turf grasses for lawns or other commercial uses as seed or for commercial greenhouses, nurseries, commercial seed production or research purposes.
