

# Grow

## COVERS UP TO 5,000 SQ. FT.

AgChimp™ GrowRx is a uniquely formulated foliar fertilizer used to stimulate growth and vigor of turfgrass in the landscape.

AgChimp™ GrowRx is a nitrogen based formulation coupled with a slow release component therefore stimulating growth and green color without the surge growth created by most nitrogen fertilizers.

**Directions For Use:** Shake container prior to use. Apply the contents of this package to coverage area of up to 5,000 sq. ft. For best results, make repeat applications throughout the growing season.

### CAUTION

KEEP OUT OF REACH OF CHILDREN

“See back panel for additional precautionary statements and directions for use”
