

**AgChimp™**

**PunchCa™**

## **COVERS UP TO 5,000 SQ. FT.**

AgChimp™ PunchCa™ is a uniquely formulated product that increases air and water movement through the soil profile. AgChimp™ PunchCa™ will reduce compaction and increase micropore spaces in the soil profile. AgChimp™ PunchCa™ is coupled with reacted ionic calcium that allows for nutrient penetration into the soil versus being lost on the surface. The application of calcium results in stronger turf, through a strengthened cell wall and a well-maintained osmotic balance.

### **GUARANTEED ANALYSIS**

Calcium (Ca) ..... 2.41%

Derived From:  
Calcium Carbonate

F1897

### **CAUTION**

**KEEP OUT OF REACH OF CHILDREN**

"See back panel for additional precautionary statements and directions for use"
